## Summer Newsletter July 2014

### Summer On Casino Road

Apartment Outreach - It's important to spend time with children in the community during non-school days to build on relationship, invite children on field trips and stay involved in their lives. We also use non-school days to connect with children who haven't heard about CRKM. Casino Road is a very transient area, so many families move in and out each year. It is important for CRKM to be a visible presence at apartments to build relationships and let new families know about our work. Going forward,

each Tuesday and Thursday a group of CRKM volunteers will go to several apartments on Casino Road to play games, hang out and connect with children.

Are you looking for an opportunity to invest in the lives of local children? Then you're the person we're looking for. To become a part of our outreach team, please contact Tyrone at [tyrone@crmkids.org](mailto:tyrone@crmkids.org).

Summer Camps - What kind of impact did summer camp make in your life? Last summer, with your help, CRKM helped 23 children attend camp. Each student had a unique and meaningful camp experience. Camp challenged some students to not be afraid or ashamed of their uniqueness, encouraged them to remember God is always with them and learning to trust the adults at camp and share with them.

We have over 40 kids who would love the opportunity to go to camp this summer and YOU can help get them there! We need \$4,610 to make it happen. Will you give \$300, \$150, \$75 or an amount that would fit your giving budget? Go to [www.crmkids.org/your-money](http://www.crmkids.org/your-money) to give or send your check to 14 E Casino Rd Suite E, Everett, WA 98208

Camp Schedule:

Kids Camp (Lake Stevens) - July 21 to 25

High school Camp (Spokane) - August 4 to 9

Jr. high Camp (Spokane) - August 11 to 16
