News & Info

December 2021

It's true time flies when you're having fun, and we've had so much fun building relationships, sharing God's love and words, and helping children build confidence through homework support during the fall. Our Clubs have been full with laughter, children, yummy meals, fun games, and conversations. Thanks to your generous support in 2021, CRKM has been present and available in the lives of over 100 children through our ministries programs.

We've witnessed one of our kids grow in her confidence and ability to speak up to share her thoughts and words in front of a group. Four years ago, she did not speak much at Club except with a few leaders (even then her words were few and soft spoken). Now she can hold a conversation with leaders and other students. She blows us away each time she projects the Club rules out loud when called upon to share. She arrives at Club with a smile on her face, eager to see the leaders and tell them about her day. It's amazing to watch children grow in their confidence as they learn how valuable they are to God and us at Club. We thank you for partnering with us to inspire one of our kids to use her unique voice.

If you have an additional gift you would like to make by the end of the year, I ask you to pray about giving to Casino Road Kids Ministries. You can mail a check to 'Casino Road Kids Ministries' at PO Box 4459, Everett WA 98204, or you can go to www.crmkids.org to give online.
